

Positive Mind

Privacy and Data Protection Agreement

The safety of your personal data is very important to Positive Mind. According to the EU data protection regulations (GDPR), Positive Mind is obligated to inform you about how and why your data will be used.

1. Responsibility

Responsible for processing and protecting your personal information is:

Positive Mind
Wiebke Kunze
Grasleeuwerik 23
5658EG Eindhoven
KvK: 75891433
BTW: NL003025364B85

2. Collected Data

Relevant information that is collected by Positive mind are:

- Name
- Address
- Phone number, mobile phone number
- Email Address
- IP-address

3. Handling of Data

All data are collected to make contact (via phone or email) with possible clients, and further if it comes to an agreement between Positive Mind and the client.

Further, personal details will be used to keep clients updated about future classes, trainings or events.

4. Storage of Data

Positive Mind holds all collected data digitally. No data will be kept longer than one year after the last attended class, training or other event. During that period Positive Mind will use the email address of the client for marketing purposes.

5. Clients Rights

All clients have the right to view all collected data regarding their person. They also have the right to correct outdated data or delete any information that is incorrect.

If any changes are required or personal details wish to be deleted, please contact: info@positive-mind.eu. Positive Mind will follow this request as soon as possible.

6. GOOGLE ANALYTICS

Positive Mind uses Google Analytics to keep track of how users use the website and of how effective marketing strategies are.

The information thus obtained, including the address of your computer (IP address), is transferred to and stored by Google on servers in the United States. Please follow Google's privacy policy for more information.

Google uses this information to keep track of how our website is used, to provide reports about the Website to Positive Mind and to provide its advertisers with information about the effectiveness of their campaigns.

Google can provide this information to third parties if Google is legally obliged to do so, or insofar as these third parties process the information on behalf of Google.

Positive Mind doesn't have any power over this.

Positive Mind has not given Google permission to use Analytics information obtained through Positive Mind for other Google services.
